

New Orleans Association of Health Underwriters

Active Member Status

***Your membership must be in good standing when the submission is sent to the DOI in December. If it is not, then you are ineligible to receive the 4 hours of CE for being an active member regardless if you have attended enough events. It is your responsibility to make sure your dues are paid to date at that time.**

Congratulations! You have earned 4 additional hours of CE for being an active NAHU member!*
