### How it Works:

1. Decide who will be traveling in your cabin and pick what category you'd like: interior, ocean view or balcony
2. Decide if you would like to choose your room. If you want to select a different category, higher deck, a suite, those options are available for a higher rate. Guaranteeing a different category requires a full deposit of \$150 per person. Deposit is refundable prior to June 1, 2011.
3. **Full deposits of \$150 per person are due by April 1, 2011.** Decide if you'd like to add vacation protection for \$65 per person for inside/ ocean view/ \$79 for balcony rooms) This is also the time to pre-book an excursion in Cozumel so the one you want isn't sold out! Don't wait until you get on board!
4. The fare balance is due by June 1, 2011. At this point, you can decide if you'd like also pre-pay gratuities of \$40 a person.

### Important Note:

3 or 4 person cabins require a full deposit of \$150 per person due to the limited nature of these cabins.

- A passport is strongly encouraged, but a valid drivers license & certified birth certificate can also be used. For passport info, go to [www.state.gov](http://www.state.gov).
- Carnival reserves the right to add a fuel supplement at any time if the price rises.
